

InfoSight Inc Receives BankNews Award for Innovative Solutions

BankNews Media - one of the nation's most respected publishers of banking products, services and directories – awarded InfoSight Inc an Honorable Mention for its Email Privacy Protector product in the BankNews Innovative Solutions Awards.

MIAMI, FL 33016 (November 2009) [InfoSight](#) received an Honorable Mention for its Email Privacy Protector product in the BankNews Innovative Solutions Awards. BankNews Media recognizes companies that have introduced or significantly enhanced products designed to help community banks become more efficient, expand their capabilities and, ultimately, better serve their customers.

The 2009 Innovative Solutions Award recipients were chosen by more than 1,000 BankNews readers who voted online at [BankNews.com](#). The Innovative Solutions Awards are presented in four categories: Architectural/Equipment Solution, Consulting/Outsourcing/Training Solution, Management Solution, and Online/Remote/Mobile Solution.

InfoSight's Email Privacy Protector was nominated in the Management Solution category, where the Company was awarded an Honorable Mention. InfoSight's [Email Privacy Protector](#) is the only enterprise security system that transparently monitors and blocks the unauthorized distribution of confidential information.

"We're very honored to be chosen for this award," said [Tom Garcia](#) CEO of InfoSight Inc. "Our team of security experts works hard to provide products and services that translate our customers' business challenges into solid solutions."
