2.1 Fees. In consideration of the provision of the Services by InfoSight under this Agreement, Client will pay the fees set out in the applicable Statement of Work upon receipt of an invoice specifying the amounts due ("**Fees**"). Fees will be prepaid annually, or for the Initial Term, by the Client and are due by the date set forth in each invoice issued by InfoSight. Client will also reimburse InfoSight for all costs incurred in collecting any late payments, including, without limitation, attorneys' fees. In addition to all other remedies available under this Agreement or at law (which InfoSight does not waive by the exercise of any rights hereunder), InfoSight will be entitled to suspend the provision of any Services if Client fails to pay any undisputed Fees when due hereunder and such failure continues for more than thirty (30) days. Client's obligation to pay undisputed Fees are absolute and unconditional, and Client is not entitled to a setoff of any such amounts.

2.4 Audits. Client agrees and acknowledges that InfoSight may, from time to time during the Term, conduct inventory audits of Client's equipment, units, or devices used in connection with the Services and invoice Client if InfoSight determines that Client increased the number of units or devices used in connection with the Services.

3. Client Responsibilities

Client will designate one of its employees or agents to serve as its primary contact and to act as its authorized representative with respect to matters pertaining to this Agreement (the "**Client Contract Manager**"), with such designation to remain in force unless and until a successor Client Contract Manager is appointed in a Notice to InfoSight. Client represents and warrants that the Client Contract Manager has authorization to make decisions on behalf of the Client and may be relied upon by InfoSight when providing the Services. The Client Contract Manager will respond promptly to any reasonable requests from InfoSight for instructions, information, or approvals required by InfoSight to provide the Services.

3.2 Provision of Materials and Services to InfoSight. Client agrees to timely furnish, at its own expense, all personnel, all necessary computer hardware, software, equipment, and related materials and appropriate and safe work spaces for purposes of InfoSight performing the Services. Client will also provide InfoSight with access to all information, passwords, and facilities requested by InfoSight that are necessary for InfoSight to perform the Services. Client acknowledges, agrees, and understands that if InfoSight is denied access to these materials, InfoSight may be unable to perform the Services and if such a situation should exist, InfoSight will be held harmless.

3.3 Client Facilities. Client will be solely responsible to ensure that its facilities will be free of electromagnetic interference and other disruptive forces, and that its facilities contain proper ventilation and are set to an appropriate temperature for computer system operations. Additionally, Client will be solely responsible for hardware and equipment repair and maintenance, and Client will be responsible to purchase, comply with, and maintain all appropriate software licenses for third-party software services, unless otherwise provided in a Statement of Work.

3.4 Data Integrity. Client acknowledges and agrees that it will be solely responsible to protect itself against loss of data, to maintain data integrity, and to ensure that all of its data backups are performed, maintained, and are in working order, whether such data is stored, maintained, or backed-up locally on the Client's premises, through a third-party service provider, or through a cloud service. Client further acknowledges and agrees that InfoSight will not be liable for any loss of data, including any injury of any kind which arises as a result of any loss, alteration, destruction, damage, or corruption of data, or any other harm to the integrity of data. If Client has any concerns about the performance of its data backup systems, InfoSight must be immediately advised in writing through a Notice. Even where InfoSight provides services regarding any type of backup or maintenance of Client's data, InfoSight will have no liability whatsoever to ensure that data backups are performed, maintained, and are in working order and Client will be solely responsible to maintain adequate backups for all data and other items furnished by it to InfoSight.

have been modified in any way without InfoSight's prior written approval, or (ii) unusual physical or electrical stress placed upon any equipment, hardware, or accessories. Furthermore, Client must maintain all hardware devices and software under its respective manufacturer's software subscription and maintenance services agreement, as applicable, in order for InfoSight to perform Services related thereto, including software updates or maintenance upgrades, unless such hardware devices are Equipment provided and owned by InfoSight pursuant to Section 3.5.

3.7 Acknowledgments. Client acknowledges that from time to time (i) InfoSight may identify additional items that need to be purchased by Client in order for InfoSight to perform the Services, and (ii) changes in the Client's systems may be required in order for InfoSight to provide the Services. In connection therewith, Client agrees to work in good faith with InfoSight to effectuate such purchases or changes. In the event that InfoSight is required to purchase any assets, including computer hardware or software, in connection with the performance of Services, all such assets will remain the sole property of InfoSight unless specifically stated otherwise in writing.

3.8 Timeliness. Client will take all steps necessary, including obtaining and maintaining any required licenses or consents, to prevent Client-caused delays in InfoSight's provision of the Services. Any timetable for the performance of Services is dependent on timely receipt from Client of all necessary items and authorizations to be supplied by it. In the event of a delay in delivery of such items by Client, any estimated completion date will be deferred for a period equal to the time lost because of the delay.

3.9 Regulatory and Legal Compliance. Client is solely responsible for and agrees to ensure InfoSight's compliance with all applicable laws related to InfoSight's provision of the Services, including but not limited to furnishing all documents and materials necessary to ensure compliance with the Health Insurance Portability and Accountability Act ("**HIPAA**") privacy provisions (if applicable). Client agrees and acknowledges that it is in the best position to know what is necessary for legal compliance within its own industry, that InfoSight is not liable for Client's own compliance with applicable laws, and that Client will indemnify InfoSight, and InfoSight may seek contribution for any damages it may suffer, due to Client's failure to ensure InfoSight's compliance with Client's industry regulations and applicable laws. Client further agrees and acknowledges that InfoSight's compliance, or any changes in compliance, with applicable laws, may result in additional fees or rates.
